When it comes to cramming in a whole lot of cock, Confidential babes are ahead of the pack. Check out Sunny (p20) as she takes on nearly two feet of hard fuckstick and still comes up begging for more. Hillary Scott can take pretty much any dick thrown at her, and there's only one thing she wants in her mouth at her picnic (p84). Even when there isn't a cock in sight, our girls are dreaming of it. Katy and Cameron are all over each other's pussy, but they're desperate for hard American dick (p40). Let's be honest: if they don't want wang, they're not in Confidential...

MY SEXY SECRET!

"FUCKED AND FILMED!"

My friend John (I've changed all names here) has always liked the idea of watching me with other men, and when I met a hot guy named Rick in a bar recently, he said he was up for anything. We agreed to meet in a disused warehouse, as I liked the idea of doing it somewhere dirty. John was there with the camcorder, ready to capture it all on film.

I was wearing black lace underwear, black stockings and red heels, under a fur coat – no dress! I was already getting wet as I walked sexily towards Rick. We kissed, then I slid down his body to take his stiff cock in my mouth.

I sucked and licked it, trying to take the whole thing deep in my throat. It was driving Rick wild, and after a while he had me stop before he lost control. He pulled open my coat, getting his first look at my lace-clad body, then slid his hand between my legs and pulled my wet panties to one side.

I shook with pleasure as he slid a couple of fingers into me. Then I raised my leg up onto a high step to accommodate him, and he thrust his cock into me and started to fuck me senseless.

By the time he finally shot his creamy load in my mouth, his cock had been in my pussy, between my tits and even in my ass, all captured on John's camcorder for us to watch later.

When we played it back, I couldn't believe everything I'd done. I'd acted like a total slut, and I'd loved it!

SHOOTING STARS

BOBBI STARR

DEFINITELY ONE OF PORN'S NASTIEST NEW SLUTS, BOBBI STARR IS ALL ABOUT THE COCK. WELL, AS LONG AS YOU TALK PROPERLY, THAT IS...

Mark Wood goes for Bobbi's Starr-fish in Red Light District's *Addicted To Anal*.

AGE: 25
HEIGHT: 5'9"
VITAL STATS: 34B-27-39
HOMETOWN: San Jose, California

How did you get involved in the adult industry?

Before I did porn I was going to music school. I'd just finished my bachelor's degree in music performance. I play the oboe, which I always think looks like a penis that's cumming! Anyway, I didn't want to be a music teacher, and it's really competitive to get a good orchestra job in the US. So I was feeling a little lost, but I had a friend who was working for a fetish company in San Francisco, kink.com, and we used to do a lot of things together, going to sex clubs in San Francisco and stuff. He asked me if I wanted to model for his company, and I was like, "Yeah!" I'd actually never seen any porn before, but he bought me a DVD of *Belladonna's Fucking Girls Again*. I watched half a scene and thought, "I really wanna do this!" It was a scene of Belladonna and Melissa Lauren stuffing baseball bats up their butts! So he called a few directors, and it started from there.

Do you remember your first ever scene?

I was hired for a website called Water Bondage, who called me up and asked me how I felt about being tied up and dunked in a fish tank. I thought "Why not?" so I went along. And that's exactly what they did — tied me up, dunked me in a tank, sprayed me with a hose and fucked me with a dildo. After that they hired me a lot; I got myself an agent in LA and went from there. My first boy/girl scene was with Evan Stone, and my first anal was with Mark Davis, who's awesome!

Where do you prefer to take the money shot?

I really don't have a preference. It all ends up in my mouth anyway! So if it's on my leg, I'll scoop it up. I like cum. I like to play with it! I like all bodily fluids!

What turns you on and excites you?

Foreign languages! If you speak a foreign language, forget speaking English when I'm having sex with you, because you'll get so

www.storemags.com & www.fantamag.com

much more out of me if you speak your own language. It triggers something in my brain, I don't know what. And talented people turn me on. It doesn't matter what you do, if you're good at it, I'll be [pants like a dog] right behind you!

What turns you off?
People who say "anyways." The word doesn't have an "s" on the end! And people who spell "a lot" as one word! Oh, and people who say "fur" instead of "for". I don't think it's an accent thing — I think it's a lazy thing! I don't care if you're hairy or fat or anything — if you have the right turn-ons, and don't say "anyways," then that's fine by me.

Is it easy to make you cum?
Yeah, pretty easy! Well, to make me cum internally through penetration is easy. To make me cum clitorally takes some doing, and a bit of patience.

Who do you think gives better head, men or women?
The fact that you're a man or a woman really isn't relevant — if you're interested in giving head, you'll learn how to do it correctly. I've had women who give horrible head, and I've had men who give horrible head.

What's your favorite position?
I always say doggie, but really I don't have a favorite position. I like it when you change positions, and anyway, certain penises feel different in certain situations. Everyone's shaped differently, so why just the one position?

Does size matter?
No, size doesn't matter — it's the motion in the ocean. But I do prefer my cocks to be uncut. I like foreskins. At one point I actually wanted to start accepting applications only from guys who are uncircumcised, although men who are uncut really

Slurping on Scott Nails in Digital Playground's *Deeper 8*.

Mr. Pete and Mark Wood make Bobbi into a real Shooting Starr.

www.storemags.com & www.fantamag.com

need to know how to take care of their penises! I mean, I'm all for bath-strikes, but there are ways to keep yourself clean!

Do you like to masturbate?
Yes, I like to masturbate — who doesn't? But sometimes I like to not masturbate as well, because the less I masturbate, the more sensitive I am when the time comes.

Tell us about a typical Bobbi Starr blowjob.
Lots of spit, and I like to be able to stick the cock all the way down my throat. If I can't, it becomes a challenge so I have to figure out a way to do it. When a guy has an upward curve in his cock, it's hard to deepthroat him when you're on your knees looking up, so you have to lay them down and come from a 69 position — then it goes down the neck! There are a few guys who are too big around, like Manuel Ferrara, and that makes it more difficult, but I've still managed it! I think it might be physically impossible with guys like Shane Diesel, though. But then his cock's like the size of my arm!

Had you been with girls in your private life before getting into the business?
Yes, I've had two girlfriends. If I didn't love cock so much, I'd be a lesbian!

What type of person appeals to you?
Talented people who are ambitious and who have goals. I also like people who read — you have to read if you want to date me. Books, I mean — not menus! Comics count, too, and even the funnies, as long as you combine it with the rest of the newspaper as well.

Who are your favorites to work with?
Rocco Siffredi. I worked with him recently. I got to work with him three times and it was incredible! I don't know the name of the movie yet. I think it's something like *The Return of Rocco*. He stuck my head in a toilet, while I accidentally pushed him into the pool, skinning up his hip, too! I always dreamed of being able to work with him, but he'd retired and only did the occasional blowjob. But I was like, "It doesn't have to be a scene — I just want to have sex with the man!" When I met him he said he wanted to put me in his movie, to put me in two scenes. We shot the first scene in LA, and he said he'd heard I had a secret. I said "What, that I want you to fuck me?" So he did, and it was awesome — he fucking destroyed me! Afterwards, I was just sitting there, thinking, "I've just had sex with Rocco Siffredi!" It was exactly what my fantasy had been. I'd been scared that he wouldn't fulfill my Rocco fantasy, but he totally did. And it was the second scene that I shot with him that he shoved my head in the toilet!

What is your favorite sex scene from a movie you did?
From movies that have been released, I'd have to say it's a scene from *Performers Of The Year 2008* with Manuel Ferrara. Manuel and I hadn't worked together for a year, so there was a lot of tension there, and the scene turned out excellent. As for scenes that haven't been released yet, I shot one with Jazz Duro in Brazil, and that's amazing.

www.storemags.com & www.fantamag.com

Getting tapped at both ends by Tony DeSergio and Tommy Gunn in Digital Playground's *Jana Cova: Lust.*

Bobbi proves she can identify dicks by taste alone.

The movie's going to be called something like *Bobbi Starr Comes To Brazil*, and the scene was so much fun. And both scenes with Rocco, of course!

Do you prefer scenes with people you've worked with before or new talent?

I really enjoy it when new talent surprises me — more with girls than guys. I mean, I like guys, and I like having sex with them, but if you have a nice cock, I can do most of the work. So if you haven't worked much I can work around your talent. But because I have such an attraction for girls, when I work with new ones and they're really good and like to fuck other girls, then I love those experiences.

Do you have any unique sex stories to share?

I used to find it interesting to have sex in different places at college, like I had sex in my office in the library, or on the concert hall stage, in the freight elevator. The only thing I haven't done yet is sex on an airplane. I've given a blowjob on a plane, but I haven't gone all the way yet!

What do you think you're best at sexually?

Sex! I get good reviews from the people I'm compatible with. Actually, I've been told that my handjobs are really good. Guys say I give handjobs like they masturbate. One of my best friends is gay, and I asked him how gay men do it, and he told me to watch them jack off. So that's what I did.

What makes one of your movies special?

I don't like to 'perform' — I like to just have sex, so if a fan is into seeing what it looks like for me to have sex, they should pick up one of my DVDs. If they want to watch a Porn Star have sex then they shouldn't, because I'm not going to be one of those typical performers. I like doing real stuff — that's why I like doing gonzo.

How can your fans get in touch with you?

My blog on MySpace: myspace.com/_bobbistarr. I'm working on a website, too, which hopefully will have a forum. Oh, and twitter, too: bobbistarr, all one word! ♣

Sunny usually gets together with her fuckbuddies Nick and Mike separately. The reason for them all being together at the same time? They've both been hankering after some backdoor action and she knows they'll fall out if one of them finds out the other got to venture into her ass first.

No, in the spirit of democracy, they're both going to fuck her ass on the same day in the same session, although they'll be drawing lots on who's up first. Then again, neither of them is allowed in there until she's spent plenty of time sucking on their dicks and getting her pussy stuffed.

Nick is the one who gets to slide his slick rod out of her twat and into her butt in one smooth move, Sunny working Mike's meat harder with her mouth as her tightest hole is speared. He gets his go too, Sunny spending her whole time cumming and begging them to do her even harder, then hose her down with jizz. Next time around, she wants to be airtight for the first time. Guess they'll have to recruit another buddy... ♣

This month, I've busied myself perusing the endless debate of 'gonzo versus features,' with gonzo taking the honors with ease this month. Of course, what I should be doing is getting out of bed, doing my IRS return and maybe taking a bath this month. But what can you do?

KEEPIN' IT FRESH 3

STARRING: Coco Velvett, Eden Adams, Jaelyn Fox, Nicole Ray, Riley Ray, Jordan Ash, Rocco Reed, Mark Ashley, Alex Gonz.
DIRECTED BY: Eddie Powell.
AVAILABLE FROM: Digital Sin.

NEW GIRLS / STRAIGHT SEX

How exactly do you keep a series about new porn girls fresh? Well, it's easier than you would think. It helps that there is a constant supply of newbies willing and able to get their pussy tried out for size in front of a camera. And if your line seems to be getting stale, just change the name and start again. *Keepin' It Fresh* has only gotten as far as its third installment, but chances are that once it gets into the teens, it'll reset as something new.

Eddie Powell has assembled a cute bunch here – all natural, all pretty small-titted. Jaelyn Fox opens proceedings, and Mark Ashley proceeds to open her up. I don't think it's her debut – that's a big dick to take on when making your bow – and she shows she can suck cock damn well, taking it deep. He fills her slot in the standard positions and then pops on her ass – the single worst way to end a porn scene except cumming on her stomach.

Coco Velvett's chest tattoo and sultry brunette looks mark her out as someone who could work a lot in alt.porn. Here she's working with Alex Gonz, who pretends to be a roommate who keeps walking in on her in compromising positions. Let's cut to the chase: they fuck, it's okay, he pops on her ass. Next!

There's more dumb set-up in the next scene, but it's worth sitting through for blonde babe Eden Adams. She's got some cock-sucking skills too, and she eats Jordan Ash's nuts before getting him to tap her twat, then empty them all over her. Now that's more like it.

Nicole Ray is the cover girl and a real looker too, parking her pussy on Rocco Reed's face in a 69 and showing some hunger for the hambone. Her ass looked so good in doggie I was hoping that it would see some action, but I don't mind waiting until her next scene for that visual treat.

Riley Ray (any relation?) holds her own in the finale, again taking on Mark Ashley. She's straight on the bone, pussy first, hopping off to taste herself before she gets to taste what lives in Mark's nuts. It's not just the girls, the cum is served fresh here too.

SUMMARY: Standard new girl jerk-off fodder, but they're all cute and it's well styled and well shot.

SEMEN SIPPERS 7

STARRING: Jada Fire, Claire Dames, Chayse Evans, Charley Chase, Bobbi Starr, Dana DeArmond, Adrianna Nicole, Charlotte Vale, Riley Evans, Carolyn Reese, Erik Everhard, James Deen, Sean Michaels, Steven French.
DIRECTED BY: Mike John.
AVAILABLE FROM: Jules Jordan Video.

MULTIPLE CHICKS / CUM SWAPPING

Semen Sippers? Forgive me if my spoo is particularly thick, but I've never thought of cum as a liquid that lends itself to refined sipping. That word conjures up images of ladies daintily drinking from bone china in high-class establishments. Nope, for me semen gluggers works better. Chugging, even. Gulping. But sipping? Ain't no sipping going on here.

What there is, though, is plenty of intense gonzo with a suitably huge amount of anal, each scene topped off with some cum-swapping.

Strangely, the opening scene is the softest, with no ass-fucking at all, although Charley Chase and Chayse Evans are dealing with the sizeable schlong of Sean Michaels and may be concerned with their ability to sit right for the rest of the week.

Surely Claire Dames and Jada Fire won't be so reaming reticent? Too right they won't. They hang out with gonzo studs James Deen and Steven French and it's deepthroating, ass-licking and butt-balling from the get-go. The permutations are too many to list, but let's just say there's plenty of ass-to-mouth and some cum 'sipping' at the end.

Adrianna Nicole always looks like the most fun your cock could have, and so it proves as she combines with fellow fun-lover Charlotte Vale to relieve Sean Michaels of some more of that white stuff that lives in his black stuff. He long-dicks their tight puckers but they give as good as they get. The winner? Your cock.

The problem with a cum-swapping scene starring Erik Everhard is that he doesn't shoot all that much of the stuff. That doesn't mean he hasn't got a big old dick, however, which bottle blondes Riley Evans and Carolyn Reese avail themselves of. The weakest scene of the movie? Yup, but that doesn't mean it's particularly bad.

It just means it doesn't have a snowball's chance in hell of matching up to Bobbi Starr and Dana DeArmond getting buttfucked by Sean Michaels. Yup, it's the kind of final scene you dream of: two freaks for whom intense fucking is a given. Sean rises to the occasion, and the scene ends with what can only be described as 'semen worshipping'. But that's not a very catchy title, is it?
SUMMARY: Mike John can do this stuff in his sleep – hot chicks loving dicks and the goo that comes out of them.

DOUBLE KROSSED

STARRING: Kayden Kross, Holly Wellin, Marie McCray, Stephanie Cane, Brooke Scott, Eden Adams, Tony De Sergio, Eric Swiss, Erik Everhard.
Directed by: Jim Malibu.
AVAILABLE FROM: Adam & Eve.

COUPLES ACTION / PLOT 'N' POLING

The problem we reviewers have with some contract girls is that, in their films, they're often out-fucked by their co-stars. They're getting the fat dollars and the cover pictures, but the real action can frequently be found in the scenes they're not in. Even worse is when the so-called star is in a threeway with another chick and a guy, and the other chick is clearly on the next level.

Obviously, some contract stars don't have this problem. I haven't seen a bad Jesse Jane scene, for example. As for Kayden Kross? The jury is well and truly out. She's done some good work, but at times comes across as not really into it. Will this star vehicle change that?

The opener certainly doesn't. Kayden looks good, and we all know Erik Everhard is an energetic performer, but the hoped for chemistry never arrives. That said, she gives some good head before they share a fuck that is best described as 'by numbers'. You need to set the bar higher than that when you've got British anal expert Holly Wellin following you. Holly might not have the covergirl looks, but she's got the fuck-smarts in this all-Euro scene as Tony De Sergio plows her pussy and pucker in rapid succession. She gets some man moisturizer on her cheeks too. That's how you fuck.

We come back down to earth in the third scene. As pretty as Marie McCray and Eden Adams are, their lesbian licking never gets fired up. They start off dancing in a club before going back to a more anonymous room to get it on. Then again, if you want to watch two sweet girls taste each other's ass – and I couldn't hold that against you – it's the scene for you.

A generic threeway follows on, Brooke Scott and Stephanie Cane sharing the stick of Eric Swiss, who fails to live up to his name by being full of holes. Luckily for him, the chicks have got the holes and he duly plugs them. Well, their pussies, anyhoo. Kayden then returns to fuck Erik again, and while she ups the energy levels this time, it's still a weak scene that ends with the dreaded pop to the stomach. Looking good is one thing, fucking good another thing entirely.

SUMMARY: Standard couples' plot material with some nice looking chicks, but we expect a bit more from our stars than this.

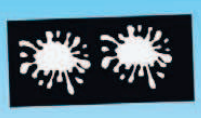
FOREVER IS THE NIGHT

STARRING: Kaylani Lei, Alektra Blue, Angelina Valentine, Tanya James, Devi Emmerson, Nikki Benz, Ryder Skye, Barrett Blade, Randy Spears, Chris Cannon, Rocco Reed.
DIRECTED BY: Francois Clousot.
AVAILABLE FROM: Wicked Pictures.

COUPLES ACTION / STRAIGHT SEX



Porn scriptwriters: misunderstood geniuses or a bunch of hacks? Most people don't care one way or the other – they want to see a girl getting gooed and they want to see it now. But such is the popularity of features – look how big *Pirates II* was – that scripting features and leaving room for sex is definitely an art.

This latest from Wicked Pictures is interesting, in a world where most porn scripts are paper thin excuses for a story. Kaylani Lei stars here in a clever movie about identity, which is well acted and well written. So far, so good… the only problem is, the sex is lame.

Kaylani looks fantastic as she rides Chris Cannon – if only we could see her properly. He's tapping her twat in an alley and the camerawork matches the location, fuzzy and grainy. What we can see looks great, Kaylani's black bob setting off her pretty face as she takes a load in the mouth. From there on, it's pretty much all downhill.

Alektra Blue is wasted in a lesbian stripper threeway with Nikki Benz and Devi Emmerson, when she's at her best doing nasty things to penises, ass first. Tanya James also looks hot but the banging she gets from Rocco Reed isn't going to set the world alight, although a decent pop to the chops at the end would certainly put Tanya out if she caught on fire too. Let's hope that doesn't happen.

Any chance of the star of the show returning to the limelight at this stage? No, we have to watch Barrett Blade having indistinct (yes, more grainy camera work) and dull sex with Angelina Valentine and Ryder Skye. I mention in my review of *Double Krossed* how I've never seen a bad Jesse Jane scene. Well, I've also never seen a great Barrett Blade one. This doesn't change that run.

At last, Kaylani returns to the screen to show everyone else how it's done, properly making love to Rocco Reed's rod in the pick of the scenes. The problem is, you might not make it that far. It's saying something when a porn plot is more interesting than most of the sex.

SUMMARY: It's mostly a waste of some very hot girls, but both Kaylani's scenes are musts for her fans.

BIG TITS AT SCHOOL 4

STARRING: Jenaveve Jolie, Cindy Dollar, Tory Lane, Phoenix Marie, Capri Cavalli, Kayla Synz, Danny Mountain, Derrick Pierce, Johnny Sins, Jordan Ash, Voodoo.
DIRECTED BY: Various
AVAILABLE FROM: Brazzers

BIG BOOBS / COLLEGE CUTIES

By way of contrast with *Forever Is The Night*, this latest episode of the *Big Tits At School* series has virtually no plot or imagination at all. It's a collection of a lazy bunch of porn clichés. Vitally, however, it made my wang go bigger than it normally is – which, admittedly, doesn't take much. And then I couldn't leave my wang alone, and then it cried and I did. Perhaps it's because this is one of the best big-boob line-ups I've seen assembled in one place.

Jenaveve Jolie plays professor's pet, complete with plaid skirt and a white shirt that doesn't quite fit – not with those chesticles popping out. She gives Danny an apple, but he's more interested in her melons. He drills her over his desk and then kindly allows her to sample his spermatozoa.

Cindy Dollar is a Czech hottie who plays a foreign language teacher, complete with glasses, who takes on the combined cockage of Voodoo and Johnny Sins. She's really foxy, and keeps up some good eye contact even when packed full of pecker. The scene is a little disjointed – Sins disappearing for a while halfway through – but they both blast their balls over her in the end. Tory Lane rarely disappoints, and although there's no anal from her for once, her hook-up with Danny Mountain is still fine, energetic stroke material from the word go. There's lots of potty-mouth from the adorable Tori, and she samples some protein too.

Phoenix Marie's scene doesn't have the same energy, but her ta-tas are awesome to behold, and the rest of her ain't bad either. In fact, her bod is so hot I want to fuck her right now. Unfortunately, I'm not employed to do that, and some lucky stud called Jordan Ash is. Capri Cavalli avoided the ugly stick too, yet another pretty, big-titted slut in this masterpiece of casting. She's also shopped at the emporium of too-tight shirts and too-short skirts and thank heaven she did. Throw in a mighty bonus scene from Kayla Synz and lovers of big-titted college action will be in hog heaven.

SUMMARY: Hot chicks, big tits. Great cum shots all the way. In other words, porn at its finest.

ELASTIC ASSHOLES 7

STARRING: Marie Luv, Tatiana Kush, Jada Fire, Emma Heart, Bobbi Starr, Hannah West, Rebeca Linares, James Deen, Mr. Marcus, Mr. Pete, Sean Michaels, Steve Holmes, Steven French.
DIRECTED BY: Mike John.
AVAILABLE FROM: Jules Jordan Video.

RAW GONZO / ANAL POUNDING

There is little doubt in my mind, from a scientific point of view, that the best place to test the elasticity – or otherwise – of a porn chick's asshole is in a movie from the Jules Jordan stable. And, truly, in this Mike John directed epic, every babe's butthole is well and truly tested.

Jada Fire does not get us off to a gentle start. She looks great as she works the cocks of Steve French and Steve Holmes, her areolae still bigger than some continents. She looks even better sandwiched between the two guys as they DP her with impressive vigor. A searing start to this gonzo extravaganza? You bet.

And it gets hotter. Bobbi Starr is blazing a trail through cock after cock in her career, and here she sidles up to the stick of none other than Sean Michaels. The blowjob is a thing of wonder, super-deep, super-wet and super-nasty as she bathes his butt and balls with her tongue too. From there it was straight to the butt, cut with plenty of ass-to-mouth and then some jizz aimed at her lips. My cock just cried with happiness.

Marie Luv keeps it interracial, stretching her ass with a plug to ready it for the reaming James Deen is about to give it. There's some rough stuff if you like that kind of thing. Me, I just come for the ass-fucking. Same goes for Hannah West, a slim girl who still manages to smuggle all of Steve Holmes' dick into her most private place. Man, she looks tight.

Next up is the tush of Tatiana Kush, a pale brunette who gets a double dose of black dick from veterans Mr. Marcus and Sean Michaels. There's some ass-to-mouth, some DP, some mild jerking on my part. And that still leaves two scenes, one with the increasingly sultry Rebeca Linares sharing an intense bang with Mr. Pete, and one with the blonde curve-fest that is Emma Heart giving Sean Michaels his third helping of ass in this movie. She's a Bree Olson-alike who is seriously cut out for the big time, elastic asshole and all.

SUMMARY: Another five-splash sureshot from Mike John – the big and the small names all put their asses on the line in this winner.

AND THE SINNER IS...

ON THE SET OF SWEET SINNER'S FIRST EVER MOVIE, SINDEE COXX BUMPS INTO BABES SHE'S BANGED, GUYS WHO'VE JERKED OFF TO HER AND A DIRECTOR WHO LIKES 'REAL' SEX. IT'S ABOUT TIME WE STOPPED CALLING THIS 'WORK'...

MY DAUGHTER'S BOYFRIEND

STARRING: Melissa Monet, Trinity Post, Nina Hartley, James Deen, Christian, Jay Crew.
DIRECTED BY: Nica Noelle.
AVAILABLE FROM: Sweet Sinner.

Listen up guys, have I got a juicy bit of info for you. I have been to the first ever shoot for a new boy/girl studio, Sweet Sinner Video. This is so exciting. Sweet Sinner Video is the brainchild of Mile High Media and director Nica Noelle, who created the popular lesbian studio Sweetheart Video. So Nica's been shooting hardcore lesbo action for a while, but now she and Mile High have decided to join forces to make realistic, passionate boy/girl movies!

I can honestly say I know a good Sapphic flick when I see one, and the movies this company puts out are just about the most rockin', real and horny ones I have laid eyes on in a long time, including some yours truly has appeared in. Their goal is to shoot real sex. Not just naked gorgeous ladies, but ones who are doing girls because they love them and are into it. Kissing and touching each other are high on their list of 'must haves', so any of you female readers interested in performing for Sweetheart Video must be able to caress and lip lock, be extremely sensual, and most of all love having sex with other women.

These are artistic masterpieces of human sexuality. If you do it that way at home, you are going to see it in this film. There is none of this nonsense of directors telling the talent when to cum, how to cum, how many times to cum, or even what positions

to make love in. Seriously, this is real sex. From Sweetheart Video's first ever film entitled *Lesbian Daydreams: Older Women/Younger Girls*, to the highly acclaimed 'pornumentary' *Nina Loves Girls!*, every lick, every kiss, is heartfelt. They have even dipped their toe into niche video, such as *Girls Kissing Girls*, with an emphasis on long, deep, soulful kissing; *Lesbian Beauties Interracial*, which celebrates Sapphic love between African American and Caucasian girls; to the concept film *Lesbian Noir: The Pool Girl*, which was filmed in black and white, with the sex scenes in color. Director Nica Noelle even shot a silent movie called *My Little Minx*, with the sex scenes in full color and sound. That should be interesting.

I asked Nica if she has any advice for women who want to become porn stars, or just want to act like one. She said the number one rule is: be authentic. Do not fake an orgasm, and if you like something, say it. To be able to perform in this business requires an exceptionally open mind, and anyone who can't deal with that and needs to belittle you for liking something as natural as sex is unworthy of your time. Another thing to be mindful of in this, or any business for that matter, is respect for coworkers. We're all in this together, so have fun with each other! That is a really good attitude to have, and this company sees the beauty in all women. So, if you are a very horny girl, give it a shot – but you have to mean it.

Some of Nica's favorite performers are Elexis Monroe, whom she hails as the ultimate lesbian performer (and Elexis was recently signed as Sweetheart Video's first contract star), Stephanie Swift – I can't argue here… been there, liked it – Samantha Ryan for her beauty and realism, Satine Phoenix for her love of fetish, and Nica's idol Nina Hartley. Pay attention men, Nica's male performers of choice are Manuel Ferrara, James Deen and Alan Stafford. Her reasons for choosing them are simple: they are very passionate men who truly love women. They are not egotistical walking hard-ons, they are sexual performers who can handle their acting roles and dialogue as well as their orgasms.

Nina Hartley gives Christian the benefit of her years of wisdom.

But now let's talk about Sweet Sinner Video and my experience on set with them. Men, you seriously need to watch *My Daughter's Boyfriend*, directed by the ultimate sexy redhead, Nica Noelle. Did I mention I love Nica? I would give just about anything to have her tell me how to screw, I mean it. She has propositioned me to come out of my semi-retirement to perform for her. Nica meticulously writes every story by herself, keeping in mind what you guys want to see and request. She really is paying attention to all your suggestions. Check this out on VOD, www.hotmovies.com, www.sweetheartvideo.com, or your local smut supply house.

I am giving you advance warning, this movie is hot! 'Get the oven mitt out' kind of heat. Not only did I see my old pal Melissa Monet doing it, but also the rest of the star-studded cast, including Nina Hartley, Trinity Post, Jay Crew, James Deen, and Christian. Unfortunately, no one took it

www.storemags.com www.fantamag.com

up the ass in this movie, but Nica claims to love anal sex and she promises lots of hot anal scenes in her upcoming videos.

I arrived in Hollywood on this lovely 100+ degree day just in time to see the actors getting ready for their scene. I couldn't believe my eyes, it was Melissa Monet, one of my first on-camera liaisons. We chatted for a bit before she was called in to have sex with a very sexy James Deen.

I enjoy watching Miss Monet suck dick. Plain and honest. She did two scenes this day, and I was slightly worried she might tire before they were both in the can. Yeah, right. She was awesome. She first gives James a good working over. He's a stud, I had never met him before, and I hope I meet him again. He says he likes older women, so I have a chance. They're working in a bright pink room, the perfect background for Melissa's dark hair and fair skin. James gets into his work quickly, using all of his natural talents. First his tongue, then a couple of fingers, and then a slobber-covered cock. I must admit it looks quite tasty. As Melissa's eyes roll to the back of her head, you can tell she's loving every minute of her job. The anticipation is building at an alarming rate and, with a gob of spit on the tip of his dick, James flings her legs into the air and penetrates her silky folds. He has a huge dick and it goes all the way in while she wiggles on it. They look into each other's eyes as she is obviously creaming on him.

Ms. Monet is not through yet, she still has one more dude to screw today and that lucky sloppy seconds guy is Jay Crew. Jay is, well… a crew guy that I have seen around for years, and now the tables are turned. Like the amazing slut she is, Melissa goes to work on his meat, and then offers her slit to him. She mashes his face between her legs, giving him female facial glow. Even when they change positions the sex stays real and passionate. Melissa is on her back holding her boobs with one hand, and rubbing her clit with the other as she takes all Jay has to give. When they switch to doggie, her natural breasts sway back and forth with every synchronized push from Jay. Something else you men might enjoy seeing is this dirty slut taking a massive load on her lovely lips. You can pretend she is there just for you, and then drop your jism.

I could not believe my ears when I heard Nina Hartley was going to be in this flick. The veteran actress is working with another familiar face, Christian. Funny side note: he found yours truly in his friend's porn stash years ago and used to jack off to me, ain't that sweet? After many unbridled 'nice to see you' kisses and hugs, and a butt grab here and there,

That's one legendary cougar on the prowl.

www.storemags.com & www.fantamag.com

Nina still loves wiener.

www.storemags.com & www.fantamag.com

it's down to business. Nina and Christian make an absolutely gorgeous couple, very passionate. They kiss, and kiss, and kiss some more. They're like lovers in the backseat of a car. The prime man meat is quickly ready for Nina's mouth, but who wouldn't be ready for that sweet pie hole? There is a sparkle in her eye as she jerks and spits on his meat, grabbing his balls and massaging them as she goes along. He works his way down her throat, occasionally gagging the beautiful legend, but she loves it. He lies back, and she doesn't hesitate to sit on him and go for a wild ride. He reaches around with his massive hands and spreads her butt cheeks, squeezing them and generally manhandling them. She loves it, watching her fuck is a real treat. Neither of them cares if the world is watching while they're off in their own little world of raw sex. Nina milks him dry, I love that. They collapse afterwards in a giggling mess, and it's all good stuff.

There is one more bit I need to tell you about. It's another James Deen tryst with a hot red-haired girl named Trinity Post. I took some dirty pictures of her alone in a room, and got to ask her a few questions. She is new in the biz, and absolutely loves a big cock. She lives for any man's enormous member and James is one of her fave guys to work with for just that reason, also because he's nice to look at. You will notice she has one of those pretty puffy pussies. James is able to visually inspect every nook and cranny of her mound, and very sensually feeds himself to her hot pink mouth. Now don't get bored, it isn't all lovey-dovey cute, there's some intense pounding here. It's always nice to see the newbie getting laid close up. I get a cheap thrill from it.

Trinity has these incredible nipples that are erect the whole time, switching between getting pinched and sucked on. I watch as she spreads herself for him; James pushes in and holds her by the thighs on his rod, and my pussy is twitching with excitement and anticipation. She must have been squeezing on him, because he suddenly pulls out and spews all over her, then she dips her fingers in his frosting and licks it off. What a good slut.

I hope you enjoy the effort put into this by all the good folks at Sweetheart Video and Sweet Sinners Video. Look for their other titles, because every one is a quality film with great, real sex... and guys, please don't hesitate to let Nica know what you want to see! This company really wants to make you happy, and I do too! ♣

NO COCK REFUSED

I first saw Rosie at a bar, strutting around in a pair of crotch-eater hotpants. I told her she looked hot and incredibly, she didn't tell me to go fuck myself.

We ended up in the bathroom, her with her shorts — and no panties — around her ankles, the fabric already creamed through. And she knew what she wanted; she bent over the toilet and reached back, squirting lube all over her asshole as I fingered her wet, shaved pussy.

Time to unleash my dick, and as I pushed up against her backdoor, it opened up, then closed like a vise around me, so hot and tight as my balls touched up against her pussy lips.

As I boffed her, my dick slipped in and out so smooth and quick I had to shove her cheeks together for a little more friction. She had one hand wedged up against her clit, not caring who heard her screams as she came. I shot my load soon after, deep inside her asshole, then dropped down to my knees so I could watch it trickle out and down her crack. Her inner thighs were slick with the wetness gushing out her cunt.

I gave her one last kiss on the clit, then swaggered back out into the bar. I couldn't wait to tell my buddies about this. But, when I said I'd nailed her, the answer was, "Who hasn't?"

My buddy Aaron had done her a few times, and told me I needed to experience her sucking my cock. It was the word "experience" that hooked me, and so a couple nights later, we both hit on her.

We ended up in a stairwell, and Rosie unzipped me first, stroking and nuzzling my cock. As she took it in her mouth I felt blown, but not blown away. Then Aaron slipped his dick in her snatch.

It was like he hit a switch. She gulped me down her throat, slurping on my boner, caressing my balls like she wanted to cram them in her mouth as well. The deeper Aaron screwed her, the more frenziedly she sucked, but the second she felt me start to get close to cumming, she spit me out, squeezed underneath my helmet to calm me down, then started all over again.

Aaron was setting his own pace, banging hard then freezing as he tried to stay in control. Rosie just kept on sucking as I watched her get plowed from the rear. I loved the sight of her cheeks tightening as he pulled back, then splaying as he thrust in. I was really getting off on the moans and even more suction as he ground into her wet cunt.

HILLARY & VOODOO

The best thing about Hillary Scott's picnics isn't the tasty treats packed in her basket, but the blanket she puts down and the tasty treat packed in her panties. She's invited Voodoo along today, and he's saving the sandwiches and cakes for later, laying Hillary down on that blanket and tucking into the most inviting thing on the menu – her pussy.

She's hungry too, and Voodoo's fuckstick has her mouth watering as she polishes the tip, licks it up and down and then mouth-fucks it with relish. They 69 for a while, then she slides down his body, leaving a sticky trail of girl juice on his chin, chest and stomach before planting that prized cunt of hers on his rigid rod. She rides him slowly at first, grinding as she caresses his nuts. Then she loses control and starts bouncing fast and wild, Voodoo thrusting up too, her orgasm spiraling through her slot, soaking his schlong. He didn't come empty-handed to the picnic either – his nuts have got more than enough cream for Hillary, and she jerks out a fat load to start her fuck feast in style... ♣

Then I hit the edge. Rosie looked up at me, catching my eye about a second before I shot my wad in her mouth. She opened wide so I could see it splash on her tongue, then gulped it all down.

Aaron was mad that he never got to see it too, so she told him to jizz all over her, give her a cum-shower. He pulled out, dick shiny-wet with her juices, and got her to lay on her back, legs up and tits shoved together. Then he sprayed her all over, from her rack down over her belly to her mound.

Watching that got me hard all over again, and her ass was so irresistible. I asked her to stay as she was, then knelt in front of her, lifting her ass clear of the floor and slowly dipping my dick in her backdoor so I could savor the feel of it going in.

Buttfucking her on her back was incredible, especially as I watched her run her hands all over her jizz-soaked body, squeezing her tits and letting her nipples slip through her fingers.

As I dicked her, I heard footsteps — and almost jumped out of my skin as some big guy came walking into the stairwell. "Hey, honey," said Rosie, and I realized this must be her old man. But he wasn't angry at catching her taking it in the ass from another guy — not judging by the boner it gave him.

"Do your thing, I just wanna watch," he said, and stood there whacking off while I boned his wife's butt hard. Although his eyes were fixed on her, he seemed to know exactly when I was cumming, and said to stay inside of her ass. The last thing I saw when I walked away, my head still spinning, was him blowing his load, aiming for her mouth, although his spunk splashed everywhere...

CAT CHASER

Okay, I'll admit it. I am a total pig. Really, I'm the classic example of the sleazy pussyhound that parents always warn their daughters about. What can I say? If my pecker points in one direction I have no choice but to follow it.

Last month my cock led me to a five-star hotel room, which of course was paid for by my babe du jour, a hot brunette named Trista. After I fucked the hell out of her asshole and decorated her glossy hair with highlights of milky white jizz, Trista headed to the shower to clean up. I continued to lie in the messy sheets, stroking my cock at the memory of Trista's tits bouncing up and down as she rode me cowgirl. Just then I heard a knock at the door and the sweetest voice calling out, "Room service."

I opened the door naked, just for the hell of it, and couldn't believe my eyes. There before me stood the sexiest blonde on the planet. She was in a classic maid's uniform, her tits practically spilling out of her thin top. I scanned her from head to toe, paying extra attention to her perfect legs that were encased in lacy thigh-high stockings, and the mini skirt that barely covered her ass.

"Would you like turn down service?" she playfully asked, while sucking on her pinky finger. "My, it looks like you've

already worked up quite a sweat."

"Why don't you help me mess up the sheets a little more?" I said, pulling her to me until her boobs squished against my chest and my cock was poking into her stomach. When she motioned towards the shower I said, "Baby, we've got plenty of time."

I yanked the top of her dress down to her waist and started to suck on her tits, feeling her nipples crinkle up against my tongue. As she laid her head back in ecstasy I slid three fingers up her snatch and swirled them around until gushes of slit juice coated my hands.

"Bend over!" I insisted, pushing her skirt up around her waist. I spat a wad into her slimy snatch and worked my hot prick inside. Let me tell you, she was so fucking tight! Really, this chick could've squeezed my cock in two. It felt amazing when I was deep inside of her curly

blonde hole.

"Use this in my ass," she begged, handing me her feather duster. Hell yeah! I did exactly what she had asked and continued to fuck her pretty pussy faster and faster, while penetrating her asshole with the handle of her feather duster.

"Harder, harder, I'm going to cum!" she gasped.

I gave it to her harder than I've ever fucked anyone before in my life. Eventually she came all over my bat and balls with a splash that even soaked my thighs. Immediately I threw her down on the bed and shoved my head between her legs. I lapped up every inch of girl juice, tugging on her pussy lips and pulling up tufts of her silky pussy hair with my teeth.

"I'm going back in," I said, securing her legs on top of my shoulders. As I grabbed my dick to guide it back inside of her, she tilted her body causing my cock to jam up her butthole instead. Hell, she seemed to know what she wanted so I just continued to ram her asshole vigorously.

Right as I was about to cum, Trista walked out of the bathroom. "What the fuck!" she yelled, racing toward me. Even though I was busted, I still kept on fucking the hot blonde.

"She gave us such good turn down service that I had to tip her!" I insisted, flipping the girl down on the floor in piledriver so I could experience her asshole from a different position. "Don't be such a bitch, Trista. Come over here and hold her legs!"

I couldn't believe it! Trista actually did what I had asked. This turned me on even more than getting to fuck the blonde's ass, so I lined the girls up in front of me.

"Come on, get licking!" I said, watching the two hot tongues curve around my shaft. Finally, the sensation was too much to handle and I spilled my wad across both pretty girls and watched them swap my load from mouth to mouth. It's good to be the king!

POOL PARTY

My girlfriend Annie is a little crazy. One recent sunny day she took me to a swimming pool in the garden of a house a few blocks away from our apartment. I figured it belonged to a friend of hers, then she casually told me she didn't know the owner, we'd just gatecrashed.

I freaked — this had to be totally illegal — but she talked me into staying the best way she knew how, with her fingers as well as her tongue.

We were making out on the grass, when a couple of guys suddenly showed up — the owner's son, Ty, and his buddy Leo, it turned out.

www.storemags.com & www.fantamag.com

www.storemags.com & www.fantamag.com

www.storemags.com & www.fantamag.com

"Did you order a couple of dykes?" asked Ty.

Leo responded, "Can we keep them?" and that pretty much broke the ice.

We both love pussy best, but we like some cock occasionally! So we put on a show, me tonguing Annie's open snatch while she squirmed on the lawn. The noise she makes as she starts to orgasm can get any dick rigid.

Then, when she was all cummed out, she headed for the pool, saying her snatch would let off steam when it hit the water. She dove in and splashed about, tits floating at the surface. I was first to join her, swiftly followed by the guys.

We didn't exactly pair off, just grabbed the guy who splashed down nearest. I reached under the surface and began to jack Ty's boner.

Meanwhile, Leo got Annie floating on her back so he could eat her pussy. As he sucked her clit then tongued her hole, she wouldn't say who licked her better, me or him. But who was keeping score when we both made her cum so hard?

I'm a tall girl with curves, not the type a guy can lift for long, but with the water taking my weight, I soon had my legs locked around Ty's back. He wasn't inside of me yet, but I slid down his body and took his dick in my cunt, just as he started sucking on a nipple. I squealed and splashed, and soon Annie joined us, sucking my other tit.

My nipples are very sensitive, and now I yelped as Annie suddenly took one mighty suck on my teat. Leo had just been fooling around, rubbing his dick against her pussy. Then he slammed right in. I could see she had a hand down to frig her clit, and every jolt of pleasure inside of her seemed to get me too, via her mouth.

Ty groaned as I began to cum around his shaft, and Annie was not far behind as Leo's cock triggered a massive climax. Now Ty guided me toward shallower water, his cock still in my pussy, before bending me forward, braced up against the concrete steps and fucking me full force.

Annie was back on the grass, wet and naked, with Leo banging away between her thighs. I gazed at her big tits quaking around, then felt Ty's fingers grasp my hips as he started to cum. His spunk felt so hot surging inside of me.

As he pulled out, I reached down and put my hand over my pussy, keeping his spunk inside me for Annie to swallow as I squatted over her face. Leo rubbed a finger against my clit and that got my pussy squeezing around her tongue.

Now Leo reached a climax, pulling out slowly. The first few jets of spunk hit Annie's pussy, but before I lapped it up, I took the rest right out of his dick, sucking until I drained his balls dry.

I'd like to say we've got an open invite to use the pool — not so. Ty says his parents don't like slutty girls like us. He and Leo do, though, so they just come over to our place. It can get a little hot and sweaty at times, but we can hose 'em down in our garden before they hose us down in the bedroom...

WINNING CUNTESTANT

There's a hot girl at my college named Gretchen, a member of the most popular sorority house on campus. I've had the biggest crush on her ever since I first saw her in the locker room, showering after her gymnastics session. I sat crouched on the tile floor, peeping from behind the stack of lockers watching the soapy suds decorate Gretchen's perfect sun-kissed body with foamy white lather.

I parted my legs and began to circle my middle finger against my clit as Gretchen

moved the washcloth around her pussy and ass. I imagined the cloth was my tongue, licking up the wet tufts of blonde muff around her plump pussy and around the rim of her fuzzy bung.

"Gretchen, come lick my pussy," I whispered in her direction, wishing that she would sense my presence and come give me some relief.

I stayed there on the floor fingering my hole, reveling in one climax after another for the entire duration of her shower, vowing to myself that I'd fuck her for real one day.

So, recently Gretchen's sorority house was holding various fundraisers for the community. A random drawing would be held at the end of the event, and the

winner would go on a romantic dinner date with Gretchen later that night. Needless to say, I donated so much cash that the bowl was practically spilling over with my ticket stubs.

Sure enough, at the end of the event Gretchen placed her hand in the bowl and read out the name of the winner. It was me! I walked on stage and everyone started to laugh, except Gretchen. To my surprise, she grabbed me in front of the crowd and kissed my neck. I grabbed her hand and walked off the stage with my ultimate prize.

We didn't even make it off campus before I had Gretchen pushed up against the brick wall of the library, exploring her mouth with my tongue. Just like I had imagined, she tasted as delicious as cotton candy.

"I've wanted you for so long," I murmured, nibbling on her neck and squishing her perky tits in my palms. "All I want now is to make you cum."

"Wanna know a secret?" she asked, running her hand up my skirt to fondle and flick my clit. I nodded. "The actual winner tonight was some guy from the football team. I had to lie because I've been too shy to ask you out."

This was the best news I'd ever heard. To reward her sweet confession, I peeled down her blue jeans, parted her legs and began to lap up her juicy cunt like a melting ice cream cone. She opened her legs up wide for me, allowing my long tongue to penetrate deep. She ran her fingers through my hair and rode my face

slowly. I didn't come up until my chin was dripping with her juice.

Once her body started to tense up I knew I had found her sweet spot. After a few more solid lashings of my tongue she began to cum all over my lips and fingers until my mouth filled up with squirting blasts of her syrup.

"Bend over, baby. Let me taste your ass," Gretchen moaned. I did as she asked, bending over with my hands around my ankles. Now she spent ample time squeezing my ass cheeks and playfully smacking them until I was sure they were bright red.

"Ready for my tongue?" she asked, diving right in before I could give her my response. Having never had my ass eaten out before, this drove me crazy. The sheer intensity was more than I could have ever imagined.

My excitement hit an all-time high when she stuck one finger in my ass and another in my pussy, fucking me so intently that my cunt began to gush with sticky sex liquid.

"This is exactly how I imagined you'd taste," she said, hoisting me up to dip her tongue in my mouth one last time. She was right, my pussy was scrumptious. Together we truly made the most delicious flavor.

Needless to say, we never actually went out to dinner that night. Instead we chose to go straight for the dessert, and we have several times since then!

MY SEX LIFE!

"I'M COCK CRAZY!"

I've never wanted the girls I live with at college to know just how slutty I get on a night out – which is why I've always avoided them. They'll go drinking where the other students hang out, but I'll go out on my own to where real men drink. I like the vibe of taverns, especially if they're full of real working guys with muscles. But there's one muscle I'm really interested in and that's usually swinging in their pants.

Because I'm flying solo, I'm free to make a move on any guy, so I'll sidle up to one at the bar and ask him outright to buy me a drink. Most do, which is why most guys I chat to end up in the bathroom with their cock in my mouth, or they get to dick me in the stall. I'll finish my fuck, finish my beer, wipe my mouth and then move on to the next bar. I'll have been to four bars and had four different cocks inside me, but when I get back to college and their so-called 'wild' parties, they're all still at first base!

HOW TO BE A STUD!

PART 15: GET WET!

Having sex in water might sound like a wild thing to do but, surprisingly, it's a piece of pussy-packing action that's packed with pitfalls. There's a lot that can go wrong, so follow our tips to make that splashing about safe and sexy. Of course, if you feel like getting wet and wild and don't have access to water, just get yourself a chick who squirts…

1: BE SAFE

Being with a babe in a hot tub is mighty tempting for your dick, but you might be better sticking to foreplay. You may well think she's wetter than ever, but water in tubs, pools and even the ocean reduces the natural juice in her pussy. She might be underwater but she'll be drier than the Gobi desert. Have some lube handy. On top of which, if you're planning on safe sex, condoms and water don't mix – chlorine affects them and the water will do its best to wash it off for you as well.

Jesse Jane's swimming lessons weren't going well.

Sophia Santi enjoys Jana's island beaver in Digital Playground's *Island Fever 4*.

Bathtime splashing for Abbey Brooks and Tommy Gunn in Digital Playground's *Naked Aces 3*.

Evan gets ready to rinse the sand from Teagan's butt.

2: PLOW HER IN THE SHOWER

There are few better places to get your bone on than in a shower – provided you haven't got a moldy old one with a single stream of freezing-cold water dribbling out. A shower with room for two and some hot water to steam things up is a perfect combination, as the water isn't likely to get into her pussy and dry it up. Oh, and if the faucet is removable, you can use those jets on her clit too…

www.storemags.com & www.fantamag.com

3: LIFE'S A BEACH

If you can find yourself somewhere secluded, a piece of ass in the ocean is a mighty fine thing. Again, salt water isn't particularly pussy-friendly – and if the water's cold it might not be too cock-friendly either. We've all had that 'just been swimming' look. But some fondling and stroking underwater is a great warm-up for some fucking in the shallows or on the beach. Then go for a dip to wash the sand out of those hard-to reach places...

That's what we call a beach ball.

Jesse Jane tests out Scott Nails' snorkel.

Sure beats playing with a rubber duck.

4: POOL POLE

If you've got a pool in your backyard, you've hit the jackpot. Fucking poolside is all well and good, but let your chick know she can enjoy a dip while you sit on the side and feed her some fuckstick. You might want that pool to be heated, and if you both know what you're doing, you might even get some brains underwater. As for cumming, make sure she catches it in her mouth – you don't want to have to clean the pool afterwards... ♣

I'll walk and see a guy who fills his shorts out and invite him to nail my twat somewhere quiet and hot. TANYA & JAMES

www.storemags.com & www.fantamags.com

www.storemags.com & www.fantamag.com

Tanya has long been an expert at shaving her own pussy, and now she's finally converted James to the joys of going bare down there. Maybe it helped that she outlined the benefits of him shaving his balls – the extra sensitivity, and the fact that she'd spend a helluva lot more time sucking his cock and slurping on his nuts if he did.

He reaches for the shaving foam and, later, she keeps her part of the bargain, treating his twitching tool to the longest, deepest sucking it's ever received, her tongue snaking over his cum-filled balls too. Soon they're banging against her equally smooth cunt as he plows into her pussy in standing doggie, bending her over to tap that twat harder and harder until she's creaming along his shaft and shuddering through an orgasm.

Satisfied, she slides off and goes back to working his wang with her mouth, licking off her juices and coaxing his cum out. Looks like James will be keeping a razor close to hand from now on... ♣
